Selectmen's Meeting

FOSTER STREET OWNERSHIP?

Robert A. Brown of 8 Foster Street, with a delegation of people from that neighborhood, met with Selectmen to press their claim that Foster Street does not terminate at Shipyard Lane but continues to the shore of the harbor. Brown contended in a letter written to the Selectmen that the strip of land in question is not included in the deeds of either abuttor and is not taxed. He states, "It appears the only rights to it involve that of the town to continue the water drain and to enter to maintain the drain."

Brown claims that the strip is presently an eyesore containing a deep drainage ditch into which someone could fall. He states, "It is potentially a great asset to the neighborhood by providing access to a small beach on the harbor". He suggests that the town lay drain pipe, fill the ditch and make a path over the pipe, clear the brush and plant bushes on either side with a space to create a foot path only, maintain no parking on Shipyard Lane or Foster Street since they are so narrow.

Accompanying this letter, Mr. Brown attached an assessors' map showing a strip in line with Foster Street to the harbor. A second map obtained from the Mattapoisett Historical Society has Foster Street drawn to the harbor.

Mr. Brown told Selectmen that he had hired an attorney to determine ownership and that the letter summed up the preliminary conclustion of a brief examination of the issue. He asked that the Selectmen establish town ownership of an estimated 30 foot wide strip to continue Foster Street to the beach.

Selectman James Huntoon asked Brown if the whole neighborhood is denied access to the water via Foster Street and he answered "yes".

Mr. Huntoon stated that, unlike privately owned land, a town way remains a town way and is not lost when used by another for an extended period of time. He said that the

neighborhood can pursue two courses of action: 1) A hearing could be held or 2) A petition could be presented to town meeting to reaffirm ownership or take the strip by eminent domain.

Selectman Frank Suzan asked if Mr. Brown had talked to the two abuttors and he answered "they are interested in taking over that land". Suzan continued that the Selectmen understood from Town Counsel Donald Fleming that it would be costly to determine ownership in land court and that the town does not have the money. He suggested that Brown have his lawyer contact Attorney Fleming since their conclusions were different. He said that the town counsel had searched and concluded that if such an easement exists then it is private in nature.

Brown said that the strip had, in the past, come up for consideration for acceptance by the town.

Chairman John DeCosta produced 2 letters from one of the abuttors, Mr. Nosworthy. In one letter Mr. Nosworthy stated that the town had considered the extension of Foster Street in 1886 town meeting and had tabled the article. In his second letter he requested that all parties cease and desist from further entry to the strip.

Huntoon told Brown that the town is limited by money and town counsel advice, that the town does have a drainage easement to allow the drain to be kept clear. Huntoon said that if the town meeting were to consider the matter and vote to affirm ownership then it is possible that the abuttors would have to establish their right to the strip.

It was decided that the best course of action was to hold a hearing so that if one party or another brought in conclusive evidence to support a claim then Selectmen could make a termination.

A hearing was set for Monday, May 16th at 7 p.m. at the Conference Room of the Town Hall.

BIDS ON TRUCKS

Selectmen opened bids for two surplus town trucks which were advertised for sale in the March 16th issue of Presto Press. Eight bids were received on the Chevrolet Club Cab; the high bid was $2525.25 from Charles Hiller. Six bids were submitted on the ½ ton Dodge pick-up (Shellfish Warden truck) and the high bid of $433.33 was accepted from John Hartley.

TOWN RAISE APPROVED

Selectmen moved and passed a motion to put in to the town warrant a request for a 5% raise for town employees.

CONSIDER COMPUTER SERVICE

Selectmen are considering alternate computer service for the town business after concluding that they are never going to get into operation with Old Colony. Under consideration is buying a service from a company set up to service municipalities. Another is to accept a plan that would set up a free service in return for keeping a minimum balance in a bank account with Century Bank.

MACLEAN REQUESTS 4-LANE ROUTE 6

Selectmen received a copy of a letter sent to Commissioner Tierney of the DPW from Senator William Q. MacLean in which he discusses the recent tragedy on Route 6 and requests the four lane configuration be reinstated.

GRANT PROGRAM FOR VEHICLE

Selectmen received a memo from the Office of Transportation and Construction in regard to a grant program to assist organizations (non-profit) in the purchase of vehicles to be used to transport elderly and handicapped persons. The Department of Transportation will provide 80% of the cost and the town will pick up the remainder. A request for proposal form has been filled out and mailed in hopes that Mattapoisett could qualify.

FIELD CHANGE APPROVED

Selectmen received a copy of a letter sent to Bruce Mathieson from Mr. Andrew

The subject this month will be "Administrators, Interpreters, and Teachers of the Arts". Gladys Hinman will talk about Florence Griswold who kept house for the Impressionists in Old Lyme, Connecticut; Ruth Jenney about Mariana Griswold Van Rensselaer, the first professional art critic in America; Louise Preissler about Juliana Force, the first director of the Whitney Museum of American Art; Gail McSwiggan about Amelia MacSwiggan, who was assistant curator of the Essex Institute and an authority on American art glass; and Susan Smith about Helen Benton Minnich, painter, author, collector, and patron of the arts. Many of the women we will be talking about were characters, as well as contributors, and brought some strong ideas to their management of the arts. It should add a bit of ginger to the evening to know two of our featured women are relatives of members of the Art Group! Everyone is welcome.

Career Awareness

On Wednesday, April 6th, ORRHS will be holding its third of four Career Awareness Programs at the high school. Approximately 20 speakers will be present from 20 different fields to discuss with students the qualifications, working conditions and future in their respective careers.

The list of careers to be addressed on April 6th includes: Stewardess, Psychologist, Sociologist, Hospital careers; Radio Disc Jockey, Carpenter, Travel Agent, Engineer, C.I.A., Judo, Crafts, Architectural Designer, Surveyor and Electrician.

The program which will run from 8:30 a.m. to 10:00 a.m. is open to the residents of the three towns, and we cordially invite all parents with an interest in learning more about the above careers to attend.

All parents of ORRHS students are asked to be sure that their students attend on that day. A great deal of time and effort has been invested in the development of the Career Awareness Program. It can only be successful if the student is there.

Any parent interested in assisting us in the planning, implementation, or organization of the Career Program is invited to contact the Guidance Office.

pleasant, informative and rewarding introduction to a true friend and loyal and lasting teacher, our Mattapoisett Library.

Throughout the year, the children have eagerly looked forward to the annual spring field trip to the town library and to the reality of possessing their very "own" library card.

On March 16th, the day finally arrived and sixty-five "bubbly" and inquisitive children began a journey that we hope will be renewed countlessly in years to come:

A journey that will be the first step to flights and sailings into knowledge of and beyond the world - into galaxies of thought.

Whatever apprehensions the children may have felt before entering "the quiet place" fled immediately, dispersed by warm and friendly smiles from you, Mrs. Gordon and Mrs. Jackovicz. Your pleasantries combined with the wonderful new children's addition made hearts relaxed and senses delighted. The facility is perfect - as the children noted, "with furniture just the right size", with pictures of things "kids like", and "good colors, cool!"

After ample time for search and discovery - "I love your drawers that told me about the things I could find" (i.e., the card catalog) - the children made their selections with your help and the help of family volunteers. They also were afforded the once-in-a-lifetime privilege of checking their own books out with the "card machine".

Books in hand they returned to school a little fuller in many ways.

Thanks for giving us all another reason to feel "special" in Mattapoisett.

Gratefully,
Ruth Bates

Books are available in paperback. Everyone is invited to attend.

Rochester Bike-a-thon

The Rochester Lions' Club assisted by the Rochester Little League will take a JOURNEY FOR SIGHT to aid the blind and sight-impaired.

Since its founding in 1917, Lions' Club's International has become widely known for its sight programs, and the the Lions' "JOURNEY FOR SIGHT" is designed to provide much-needed funds to reach even greater numbers of the blind and those threatened by blindness.

On Saturday, April 9th, the Rochester Lions' Club, aided by the Rochester Little League players, will take part in a "BIKE-A-THON" for a distance of twenty miles. They will ask people in our community to support them by pledging a nominal amount of money for each mile.

We hope that our people of the Town of Rochester will support our efforts to help the blind and sight-impaired and our Little League teams through the Journey for Sight, Lion President Charles Drayton said. The funds raised will be divided equally between the Rochester Little League and the Rochester Lions' Club. Little League funds will provide them with sports equipment and the money of the Lions' Club will be donated to the Massachusetts Eye Research Fund. Through eye research we are hoping to eliminate preventable blindness in the future.

Those wishing to help or make a pledge please call the Lions at 763-5619 or 763-4222.

YOU ARE PROBABLY FARSIGHTED.

Hyperopia or farsightedness is a vision condition in which closer objects appear blurred and objects further away are seen more clearly. Many people are born with a small degree of farsightedness. A greater degree of farsightedness can cause tension, fatigue, headache, poor reading ability and a lack of concentration. Farsightedness can be diagnosed through an eye examination and is effectively corrected with eyeglasses or contact lenses. Call for an appointment today.

Your support for the one-year unexpired term as a member of the Trustees Free Public Library will be appreciated. The Joseph H. Plumb Memorial Library had the dedicated services of Olive B. Winslow as trustee and librarian for 42 years. No one will equal the dedicated service of Mrs. Winslow to the library and the Town of Rochester. I am seeking Mrs. Winslow's unexpired term. I have been a resident of Rochester all of my 20 years and used the library until I entered Stonehill College. I am a product of the Rochester School System from Grade 1 through 12 graduating from Old Rochester Regional High School in 1980. I will be awarded my degree in 1983 and am planning to continue my education and pursue a law career. If elected, my one-year term as trustee will be a learning process and conceivably be a forerunner to making a decision for my future. Your support on April 13 at the polls will be appreciated.

Sincerely,

Cynthia K. Chamberlain

Special Olympic Swimmers

ORR MEMBERS PARTICIPATE

Four members of the O.R.R. Special Olympic Swim Team participated in the regional swim meet. The O.R.R. swimmers participated in a total of nine races and earned a very respectable collection of ribbons -- seven FIRSTS, one SECOND and one THIRD place ribbon. The participants were divided into age and divisional groupings.

Melissa Beale earned a first in the 25 meter and third in the 50 meter crawls stroke; Sandy Tuttle, first in the 25 and 50 meter crawl; Anthony Pina, first in the 25 and 50 meter crawl; Jay Henderson, first in the 25 meter crawl and 25 meter butterfly stroke and second in the 50 meter crawl.

Based on Jay's performances over the last four years, he has an outstanding chance to represent Massachusetts Special Olympic Program in the International Special Olympics which will take place this summer in Baton Rouge, Louisiana.

The students submitted a poster entitled: "Find a Solution to Pollution Or..." which compared a clean ocean to a polluted one. Letter to The Editor

On the threshold of Easter, when we relive, as conscientious Christians, the joyous words of the angel at the tomb: "HE HAS RISEN - HE IS NOT HERE!" - words from Billy Graham's inspiring book "PEACE WITH GOD", seem apropos:

"The world will never know peace until it finds it in the cross of Jesus Christ. You will never know the peace with God, peace of conscience, peace of mind, and peace of soul until you stand at the foot of the Cross and identify yourself with Christ by faith. THERE is the secret of peace. This is peace with God."

He also stated: "I have learned that when men and women of sound judgment reject Christ, they do it not because they find Christian doctrines intellectually distasteful, but because they seek to avoid the responsibilities and obligations that the Christian life demands. It is their

"SWAN: AN AMERICAN BALLAD"...EXCITING, PROVOKING NEW PLAY

a review by George W. Hayden

New Bedford: It was with dramatic tragic irony that playwright Telo Reifel whose photo appeared in "Presto Press" a few weeks back died, stricken while at a rehearsal for her new play, "Swan: An American Ballad". Southeastern Massachusetts lost a most imaginative and creative person. Like many of her best contemporaries (Albee and Williams) Ms. Reifel skirts high tragedy in this work. There is a strong flirtation with this temper, particularly in her scathing observations on the failure of marriage and the abandon in the new breed of druggy-orgy generation.

Swan studies the ideal menage a trois gone awry, naturally due to man's competi-

At times, Mr. Bennett postures a trifle too much and fails to communicate directly to the other actors. The strength of this veteran actor's talent dominates and he adds another fine credit to his long list of memorable performances.

As the female apex, perhaps inspired by Ms. Reifel's own experience, one of Massachusetts' finest actresses, Mary Stedman, is exquisite. Ms. Stedman had a few movement problems, but with more performances these would be corrected. Her wife was so controlled. Perhaps she might give vent to some more aberrant and neurological expressions of emotion. In another complex role, George Carns caught the pathetic sensibility of the alcoholic husband with honesty of feeling.

Barbara Wallace as his mother had the wit and wisdom of Grandma in "The American Dream". The difference in Ms. Reifel's work is that the grandmother is vulner-

able. Ms. Wallace added brilliant support throughout, but most notably in the powerful dream sequence. In this scene Donal Durfee was excellently cast as the mortician.

The elaboration on Hamlet's soliloquy was superbly acted by Vincent Worden as a would-be local theater director and suitor. Perhaps Ms. Reifel might have chosen a somewhat less familiar speech to update. As the adolescent son with drug and gay sex values, James Robinson was fine. He bounced around like a bittersweet candy bar and caught the essences of Ms. Reifel's negative recollections. And Fred Lewis, like some Williams or Carson McCullers' houseboy, grew in humor and credibility throughout his role.

"Swan: An American Ballad" should be performed elsewhere. Still, there is need for

a little more editing of cliche responses, particularly on some entrance/exit lines. Nevertheless, most of Telo Reifel's dialogue rivets her audiences' attention. Director Anthony Farrar has staged a fast moving piece which only with more exposure and performances could be improved upon; clean up a sloppy exit or blocking situation here and there. Producer Barbara Carns and the Greater New Bedford Jaycees has given Southeastern Massachusetts a unique theater experience. I would like to see Ms. Reifel's "Swan: An American Ballad" again.

Jungle Book

"JUNGLE BOOK" ROARS AT OHS

by D.C.B.

Mattapoisett---The "Jungle Book" performed by the OHS Players was a tremendous success. With musical direction by Claire Bessette and choreography by Nancy Blanchette, the show moved rapidly forward, spinning the tale of the wild boy, Mowgli (Regina Bernard) who is befriended by Baloo the bear (Rebecca Belanger) and, after many adventures, discovers the pleasures of living in the Man-Village.

Regina Bernard played a convincing jungle waif with tanned skin and hair askew. Her lines were delivered skillfully and her voice filled the stage.

Jody Cormier almost stole the show as the delightful orangutan, King Louie. With a supporting chorus of monkeys, Jody proclaimed "I Wanna Be a Man-Cub" bringing spontaneous laughter from the crowd.

Baloo, the friendly bear, was played convincingly by Rebecca Belanger. Her stage presence was excellent as she showed the audience that she knew the "Bare Necessities" of how to entertain.

Other notables in the cast included Kimberly Marujo, as Shere Khan the tiger; Rebecca Corkum as the snake Kaa; and Bagheera, the panther played by Rachel Bates.

A supporting cast of elephants led by Tom Simpson and Todd Lyonnais provided comic relief and a line of beautiful village

Coming to Zeiterion:

BROADWAY HIT MUSICAL SWINGS INTO ZEITERION

Broadway's swinging '40s musical-comedy hit, The 1940's Radio Hour, will be presented at the ZEITERION THEATRE on Monday, April 4th, at 8:00 p.m. Written by Walton Jones, The 1940's Radio Hour will feature a 12-piece, on stage orchestra, a lively cast of actors, singers and dancers, comedy routines and much, much more.

You may remember it, you may have heard about it -- people sitting by the radio on Saturday night and listening to the radio show, live from New York. Now you can experience it again or for the very first time.

The show, complete with a give-away contest, comedy routines, a narrated drama, jitterbug numbers (that the home audience never saw), includes those wonderful songs -- 'Boggie Woogie Bugle Boy', 'I'll Be Seeing You', 'At Last' and more -- made famous by Glenn Miller, Duke Ellington, Artie Shaw and others. Those sitting in the theatre audience will be led to believe they're watching a live radio broadcast in the Algonquin Room of New York City's Hotel Astor. The show faithfully captures the patriotism and sentimentality

PETER F. COVILLE

MATTAPOISETT SCHOOL COMMITTEE

To the voters of Mattapoisett:

The basis of good quality education lies in the curriculum developed and the professional staff charged with teaching that curriculum. In the three years I have served you on the Mattapoisett School Committee, I have fought for both - sometimes with difficulty.

I strongly feel that this commitment has worked. Your elementary schools enjoy an enviable reputation, both in program and staff. As a professional educator, I will continue to work for this kind of excellence.

On April 5, vote to re-elect Peter F. Coville ... an educated choice.

of American life during World War II, and the "radio show" in progress is full of '40s hallmarks: commercials about popular products, such as Eskimo Pies and Pepsi Cola, and the clever sound effects devices that were used in radio drama.

The show comes to the ZEITERION THEATRE after its smash opening on Broadway in 1979. A successful two-month run in Dallas propelled it into the current eight month National Tour. "A totally exhilarating evening of singing and dancing. Full of pure fun and innocence. I wish I could have taken it home with me", writes Clive Barnes of the New York Post. "If you had lived in the '40s you are likely to well up with teary eyes and then chuckle with delight," says Richard L. Coe of the Washington Post.

Come and experience the swinging Forites on April 4th at the ZEITERION THEATRE. Tickets can be purchased at the theatre box office or by calling 994-2900.

WHALING MUSEUM SPRING TRIP TO LOWELL

A spring bus trip to the new Lowell National Historical Park is planned for Thursday, June 23, by the New Bedford Whaling Museum. The Lowell Park was established in 1978 by the National Park System.

Lowell, in the 1820's, became the model for all the New England mill towns that followed. In addition to the 5.5 miles of sophisticated canals, which brought water power to the ten major mill complexes,
